Thank you for considering a sponsorship for our church school golf tournament. It is greatly appreciated. Investments in our youth's education and moral development are critical to the health of our country. The Calvary Episcopal Church School started in 1956 and aided in the successful development of many business and community leaders. The school mission statement (*Superior education while inspiring Reverence for God, Respect for others and Responsibility for self*) is a lesson for all of us.

Sponsorship is an important part of the CEP Golf tournament and the fund-raising effort to support the school. As a sponsor, you will not only be supporting the school, you will be putting your company's name in front of over 1000 plus Calvary school parents, Calvary church members, friends, and local community leaders.

Please consider supporting our school by selecting one of the sponsorship opportunities below. Also, please consider providing flyers or discount coupons for distribution at the tournament.
