

Head of School Search Committee ANNOUNCEMENT

The Calvary Episcopal Preparatory Board of Trustees is pleased to announce that a Search Committee for a permanent Head of School has been approved and will begin its work immediately. This seven-person committee includes school parents and staff, board members, and church members.

Calvary's Head of School search committee will be chaired by Calvary Church member, **Mike Zanghi**. Mr. Zanghi is in senior management at BP with years of experience in project management and hiring high-level individuals. CEP parents who are on the search committee include **James Milford, Tommy Culver,** and **Shazia Barron**. Both Mr. Milford and Mr. Culver also serve as School Board members. Additional search committee members include CEP's Director of Admissions and Advancement **Krista Kuperus, Betty Best**, a highly recognized former educator and Calvary Church member who is experienced as a principal and in hiring and training principals, and **Zee Turnbull**, a former school parent, a School Board member, and is the Director of Human Resources for the Episcopal Diocese of Texas. Her HR knowledge will prove very helpful to the committee. In addition, the search committee will have two advisors - former Calvary Dean of Students, **Colleen Sanders**, and faculty member, **Mary Lou Baughman**.

We are pleased that these individuals have agreed to devote their personal time for this important work. The Search Committee will provide the school community with regular updates as they convene and begin their work to find Calvary's next Head of School.
